

CORPORATE WELLNESS

CUSTOMIZED PROGRAMMING TO MEET THE NEEDS OF **YOUR ORGANIZATION**

Our comprehensive worksite wellness program is geared towards educating and empowering employees in their journey to a healthier life. We work with companies to implement wellness programs within their organizations to meet the health and wellness needs of their staff.

www.RejuvMedical.com

REBUILD. RESTORE. REJUV.

ENGAGED. HEALTHY. PRODUCTIVE.

Impact the lives of your employees. Create a healthy environment and foster healthy living. Bring wellness to your organization to reach your staff where they are at. Develop a culture that helps your team perform at the top of their game. Healthy employees are happy and productive.

IT'S A FACT!

- National Research indicates investment in comprehensive worksite wellness can see a return of \$2.00 to \$10.00 for every \$1.00 invested
- 27% improvement in sick leave and absenteeism
- 26% improvement in healthcare costs
- 32% improvement in worker's compensation and disability management claims
- 5-to-1 cost benefit ratio
(The Art of Health Promotion Meta-evaluation, American Journal of Health Promotion, Jul/Aug 2005)
- Workplace stress costs employers an estimated \$200 billion per year in absenteeism. (<http://www.fdu.edu/newspubs/magazine/99su/stress.html>)
- Obese workers cost U.S. employers an estimated \$73.1 billion or more in healthcare costs and productivity losses each year.
(The Economic Impacts of Obesity in the Workplace)

WHY CORPORATE WELLNESS

Why Corporate Wellness?

- Improve employee morale
- Increase productivity
- Reduce absenteeism
- Reduce turnover
- Increase teamwork
- Increase recruitment potential
- Healthcare cost containment
- Improve employee health

WHY REJUV

Why Rejuv?

We work collaboratively with your organization to improve the health of your employees and your organization. Rejuv will go above and beyond to reach your team and make an impact through evidence based treatments and implementation programs.

Is There A Measurable Result?

The only way to know the success of the program is to measure it. We will collect and track aggregate data to ensure success in your program.

Implementation

Let us help to make your company a healthy environment. We can work with you and your staff to make changes to the policy and environment of the workplace to help foster a healthy lifestyle.

Customized

Your program will meet the needs of your organization. We bring health and wellness to you based on your culture.

Engagement

Our medical and fitness professionals will deliver energetic, evidence based programming that will motivate employees to make positive health changes in their daily routines.
