CLASS DESCRIPTIONS

BARRE - Low-impact fitness class utilizing the Barre as a tool for repetitions of small movements with emphasis on proper form, postural alignment, and core engagement.

BODY FUSION- This class will ensure there is never a repeat in workouts and is done by integrating workouts such as kickboxing, strength training, cycle, cardio, and more. Class ends by focusing on the emotional wellbeing through a short meditation session.

CARDIO DANCE - Heart racing, sweat dripping cardio class. Learn dance choreography and isolations mixed with muscle-toning moves to a variety of music.

CORE & MORE - A boot camp style class with a strong focus on your core! This class involves training the muscles in your pelvis, lower back, hips and abdomen to work in harmony.

ELDOA - Myofascial stretching that helps decompress the spinal discs, improves posture and joint mechanics, and increases blood flow throughout the body. Good for everyone with and without back injuries

INFRARED BALANCE & STRETCH – Check your muscles in to rehab! An opportunity to check your body for imbalances and focus on maintenance and recovery.

PILATES- Movements that focus on developing a strong core by improving flexibility, strength, coordination and balance.

R.E.J.U.V^{ED} - **(R)**esistance training **(E)**ndurance **(J)**umpstart **(U)**nrestricted **(V)**itality. Interval style class incorporating strength, cardio training and mobility.

STEP & SCULPT– Increase your cardiovascular, strengthen your upper & lower body, while working on coordination.

TABATA – Interval workout that will take you to a higher level of fitness, help you burn calories and build endurance.

TOTAL BODY POWER- A full body, endurance type workout mixing cardio and strength while using minimal equipment.

WARM GENTLE YOGA – A class structured around rejuvenating and healing the body. This class is held at a slower pace and focuses on stretching all areas of the body, while releasing stress and tension from joints and muscles.
